JULY 7 - 10, 2022

Welcome old friends and new friends to the 2022 Oregon Tour which will be located in Coos Bay, Oregon and headquartered at the Edgewater Inn and Lucky Loggers RV Park. We will be touring for a short day Thursday afternoon, then two full days Friday, Saturday and a half day on Sunday. Tours will be through some beautiful back country of farms, woods and sea side on gentle country paved roads and very few hills.

Thursday, July 7th - Check-in for the "tour only" will be located at the Edgewater Inn in the "Garden Room" gathering at 12:00pm. The afternoon tour will be a short tour around the bay leaving about 2:30 and returning between 4:30 and 5:00. Brochures will be available to visit the local historic area, antique shops, and shopping in the local and unique shops. Thursday evening we will meet up and leave at 5:15pm for a get together banquet style dinner at the Puerto Vallarta Mexican Restaurant, 230 S. 2nd, Coos Bay. **Your cost for the dinner is listed and covered with the application fees.**

Friday, July 8th - The tour will be to Old Town Bandon via many scenic back roads. On the way we will stop for a coffee break. Lunch will be on your own in Bandon and there are many great options (over 15 to choose from). Right in Old Town Bandon is an amazing little historic museum, which tells of the story of Bandon and the huge fires that wiped it out... not once but twice. We will meet up after lunch and make our way back to Coos Bay returning between 3:00 & 3:30pm. **Mileage for the day is approximately 100 miles.** Dinner will be on your own Friday night. Coos Bay and North Bend have a wide variety of restaurants to enjoy. Don't hesitate to ask for recommendations from the locals.

Saturday, July 9th - The tour will be down to cities of Myrtle Point and Coquille. Myrtle Point has a very comprehensive logging museum. We will travel on many back roads and try to stay off the main highways and avoid the traffic. Half way there we will stop for a coffee break. After checking out down town Myrtle Point we will rejoin and head to Coquille where lunch will be on your own. After lunch we will all meet together and head back to Coos Bay again arriving around 3 to 3:30pm. **Mileage is approximately 80 – 100 miles.** Dinner on Saturday night is off the menu at the Coach House in what is called “Eastside” Coos Bay at your own expense.

Sunday, July 10th - Today's final tour is a half day tour (no coffee break) with meet up at 9:30am and then a drive to the coast and Shore Acres and Cape Arago. We will then work our way to Charleston and the harbor and then stop at the Marine Science Center, which is part of the University of Oregon. Upon completion of the tour, we will head back to the motel and arrive about 12:30 - 1:00pm. We can have lunch together before we depart for home. **Mileage for Sunday is approximately 40 –50 miles.** This will be the end of the Oregon Tour for 2022 and we hope you had a fun time and enjoyed everything.

Any questions on this please call Mike McKey at 541-944-6491 or email at mndmckey@msn.com. The rates are: \$50.00/night + \$5.50 tax (therefore if you stay 3 nights for the tour it would be a total of \$166.50 which includes the tax minus the \$100.00 deposit paid by and owed back to the club, for a total then to the RV Park of \$66.50)
