

## ANN TARSKI

Our Club learned at our last meeting (November 2022) that our member and friend Ann Tarski had recently passed away. She and her husband Chuck had been members since May of 2010 and were active in club activities, always willing to help out. Ann served as co-secretary from 2013 through 2017.

John and I first met them when they joined Caveman Vintage Car Club, a local all-makes club which was disbanded in 2017. Shortly after they joined Henry's Lady Model A Club, they found a Model A to their liking, a 1930 Tudor. They also had two uncommon classic cars, a 1940 American Bantam and a 1971 Veloex, a Czech made three-wheeled car. They joined us on many local tours and also attended the MAFCA National Meet in 2012 in Marquette Michigan.

Chuck passed away in 2016 but Ann kept her Henry's Lady and MAFCA memberships current even though she did not participate as much. We were not aware until just before she died that she had cancer. We will miss her can-do attitude and cheerful demeanor. As per our by-laws, a \$25 donation has been made in her memory to the Model A Ford Foundation Inc (MAFFI).

Both photos below were taken at 2012 MAFCA National meet in Marquette, MI.

Below, left to right: Ann and Chuck Tarski, John and Nancy Firth.

Below, left to right: Jerry Mathern (Rogue Valley A's – Dr Car B Rator), Trudy Vestal (Hangtown A's, former MAFCA Director and Life Member), and Ann and Chuck Tarski.
