Hello fellow Henry's Lady Club members

Subject: Original License plates information

Should any of you members in Henry's Lady Club be interested in acquiring an original Oregon License Plate for the correct year of your Model A. I have found a gentleman that has and does restoration of original Oregon license plates.

He resides at Battle Ground, Washington, Mr. Alan Betts 503-761-2223.

I bought from him an original restored 1929 Oregon single license plate for my 1929 Ford Model A coupe; looks brand new just like the day it came from the factory.

I took it to DMV in Grants Pass and they checked it in the DMV system to make sure it wasn't currently assigned to any other vehicle, it was clear and so they assigned it to my 1929 Model A coupe.

The DMV accepted the one license plate only with no problem. Although the official rules for DMV says you should have two plates one in front and one for the rear.

Mr. Alan Betts is currently working on restoring a pair of license plates for my Model A.

Restoration orders can take up to 4 months.

God Bless

John & Pamela Bernardo
