

JIM HOPKINS

From Mike McKey, Henry's Lady Model A Club member/Restorer Chapter News Reporter, and President of Southern Oregon Model T Ford Club:

It is with sadness that I pass on the information that one of our long time members, Jim Hopkins, passed away a couple of weeks ago with heart problems. This was very, very sudden. He had, had a rough couple of years losing his home and two antique cars in the Alameda Fire in Phoenix. A Model T Roadster Pickup and the Model A Coupe, which he inherited from his father and mother a few years ago. In the last year he had found a really nice 1940 Dodge Coupe, that he was so proud of and enjoyed so much to drive around.

Jim you will be missed by all of us.
