
"1931" Ford Model A Hot Rod Sports Coupe Model with Rumble Seat

This hot rod has had a lot of love, and hard earned money put into it. We would like to see this car go to someone who will love and enjoy it the same, if not more. The previous owner has passed away and would've wanted it to go to someone who will use it, and not let it sit.

Period Correct: Mid 40's Hot Rod - Jet Black, Green Tinted glass through out, Oxblood Custom Interior, Oxblood Frame & Oxblood Running Gears.

It has also had the following, installed or done:
